JOHN SAYLES LODGE NO. 1408

Abilene, Texas

Honesty and Integrity Award

School information sheet | School referral, not a public application

Recognizing character and promise

Under Article 14f, the Lodge approaches the school principal or counselor at the start of the school year to recommend two high school juniors, one male and one female, who demonstrate honesty, integrity and promise as community leaders.

From school recommendation to Lodge approval

A majority of Lodge members present at a stated meeting must approve the names, and the approval is entered in the minutes. Recipients receive the official award key and certificate, purchased from the Grand Lodge of Texas.

A presentation shared with families

Invite parents and the community. Use an open lodge meeting or a non-Masonic setting, preferably the school. A Mason presents the honors and all Masons wear aprons. Coordinate the date, arrangements and participation with the school.

School and family permissions

Plan publicity and a report with photographs for Texas Mason Magazine. Coordinate permissions with the school and families before taking or sharing identifiable student information or photographs.
